Did you know?

In addition to the services we provide to our member housing co-operatives as part of their membership entitlements, Co-operation Housing also offers a range of services to both member and non-member organisations within the housing co-operative

Our services

Bookkeeping

Co-operation Housing is a registered BAS agent with the Tax Practitioners Board of Australia.

We offer:

- > BAS services
(to organisations registered for GST)
- > bookkeeping services
- > other financial and administrative services as required.

Other services

We can also provide a range of other services on request, including grant application development, website development and report preparation.

Please contact us to discuss your needs.

Our rates

We offer our services to both member and non-member organisations within the housing co-operative sector.

Members receive a discount.

Members: \$50 per hour + GST

Non-members: \$65 per hour + GST

These rates are valid as at January 2017.

They are subject to change.
